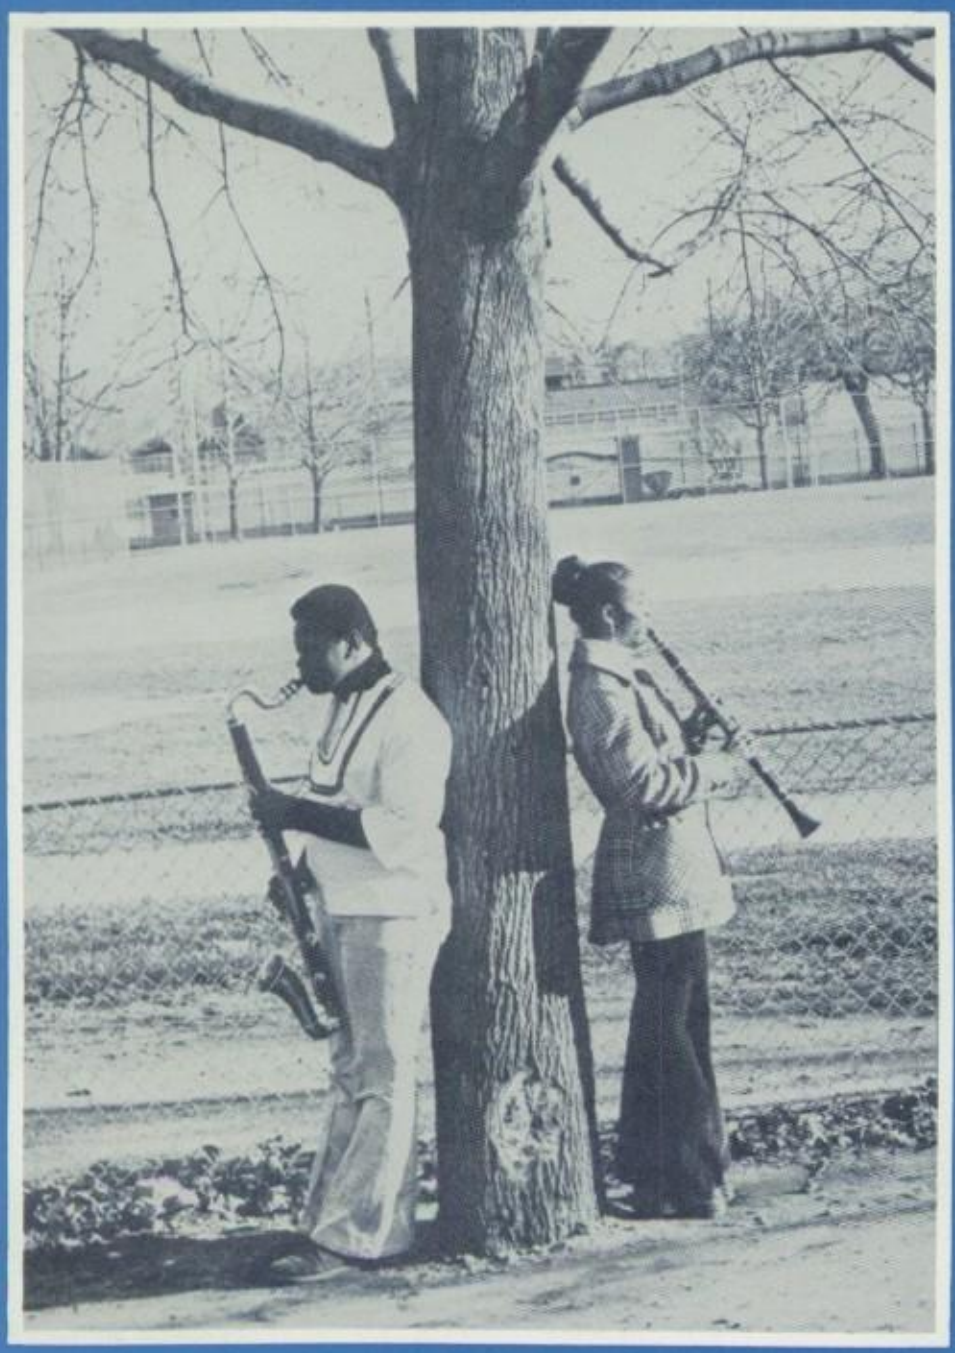
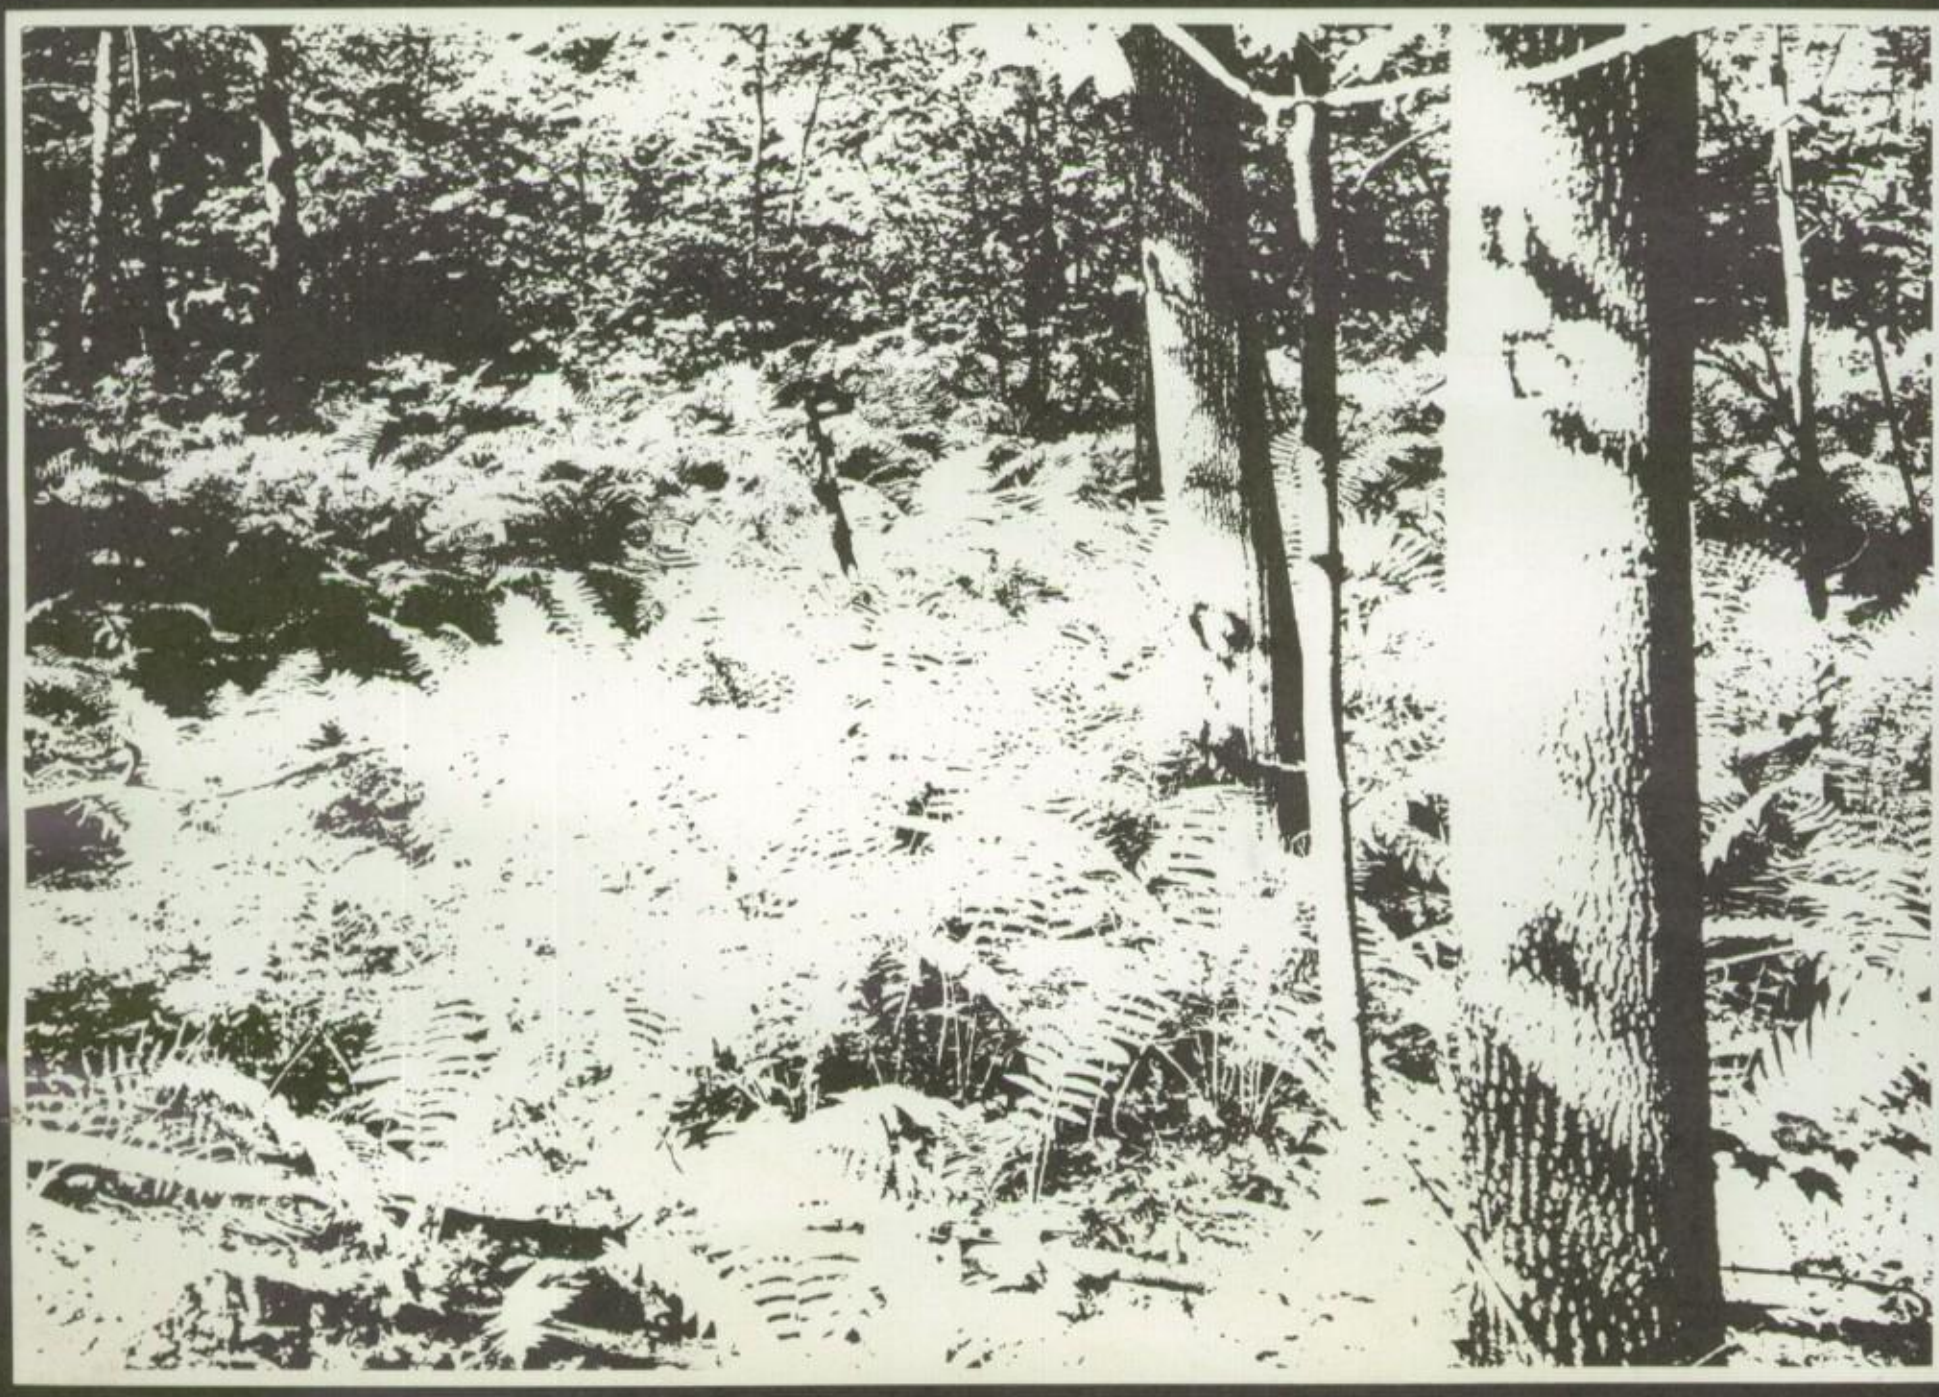
they say a picture's worth a thousand words . . . so they say. but where are those special words, so often reflected upon in one's mind as photographs, but hardly ever expressed? my world is made up of music and people. i am surrounded by harmony and strife, from within and without. i feel from my heart, but never express my innermost desires and self-realizations. i turn to the music of today to be my guide, to express what otherwise would be clouds of my mind and part of my overflowing heart.

l.c.



music makes pictures
and often tells stories
all of it magic
and all of it true
and all of the pictures
and all of the stories
and all of the magic
the music is you.

find yourself a piece of grassy ground
lay down and close your eyes,
find yourself or maybe lose yourself,
while your free spirit flies.



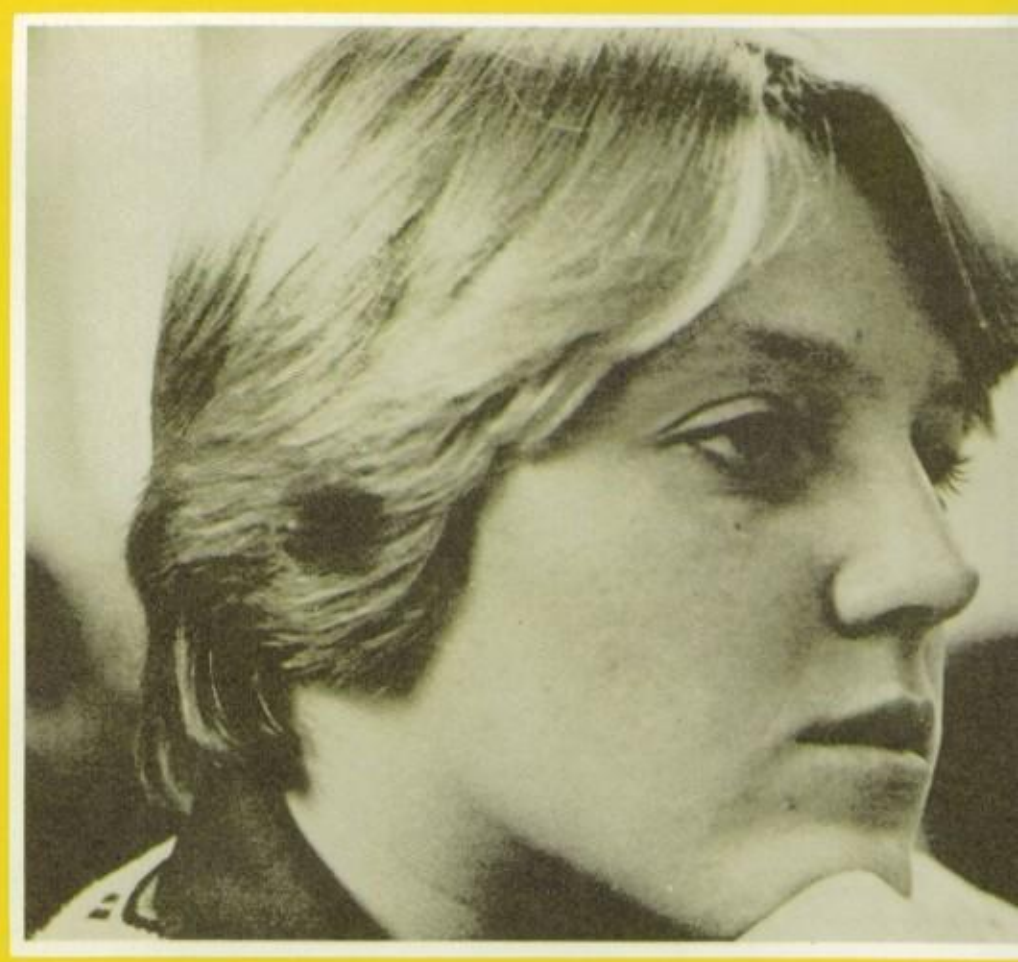
august skies, lullabies, promises to keep
dandelions and twisting vines, clover at your feet
memories of aspen leaves trembling on the wind
honey bees and fantasies, where to start again.

there's nothing behind me and nothing that ties me to something that might have been true yesterday,

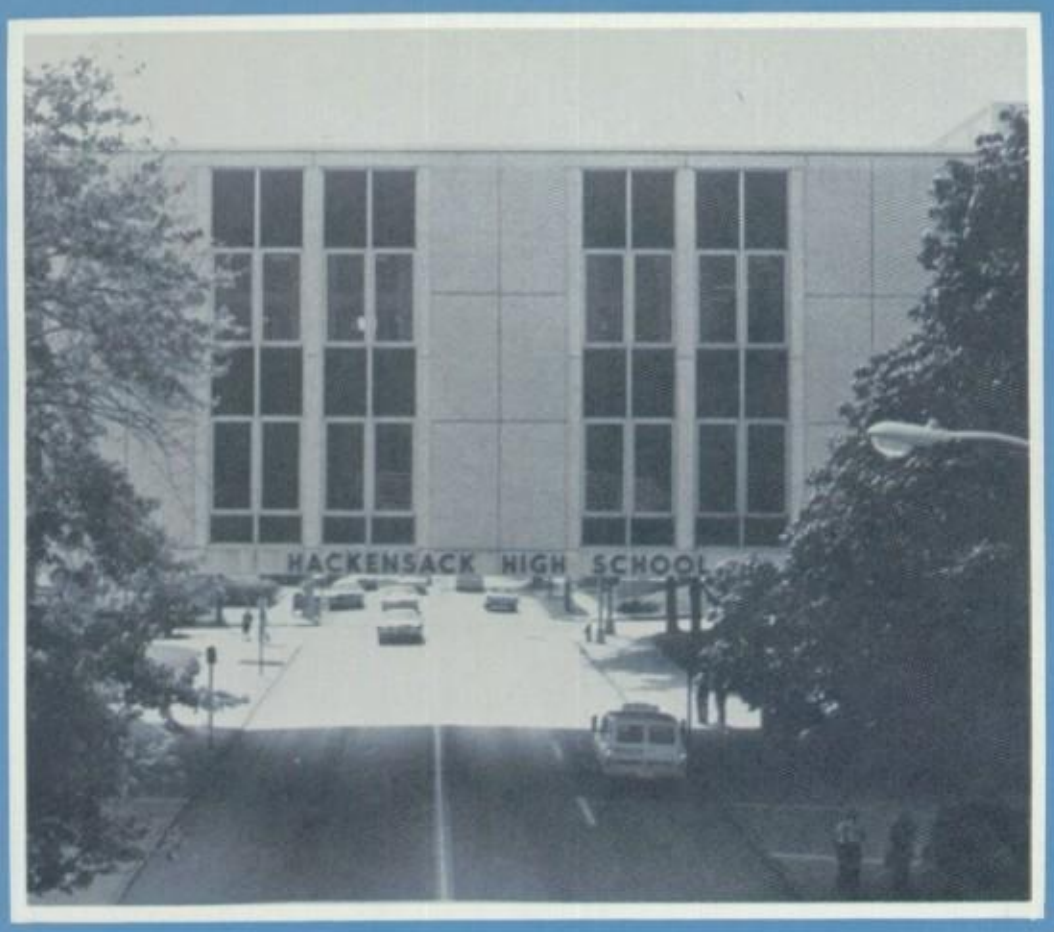
tommorrow is open and right now it seems to be more than enough to just be here today.

i don't know where i'm going, i'm not sure where i've been, there's a spirit that guides me, a light that shines for me; my life is worth the living, i don't need to see the end.

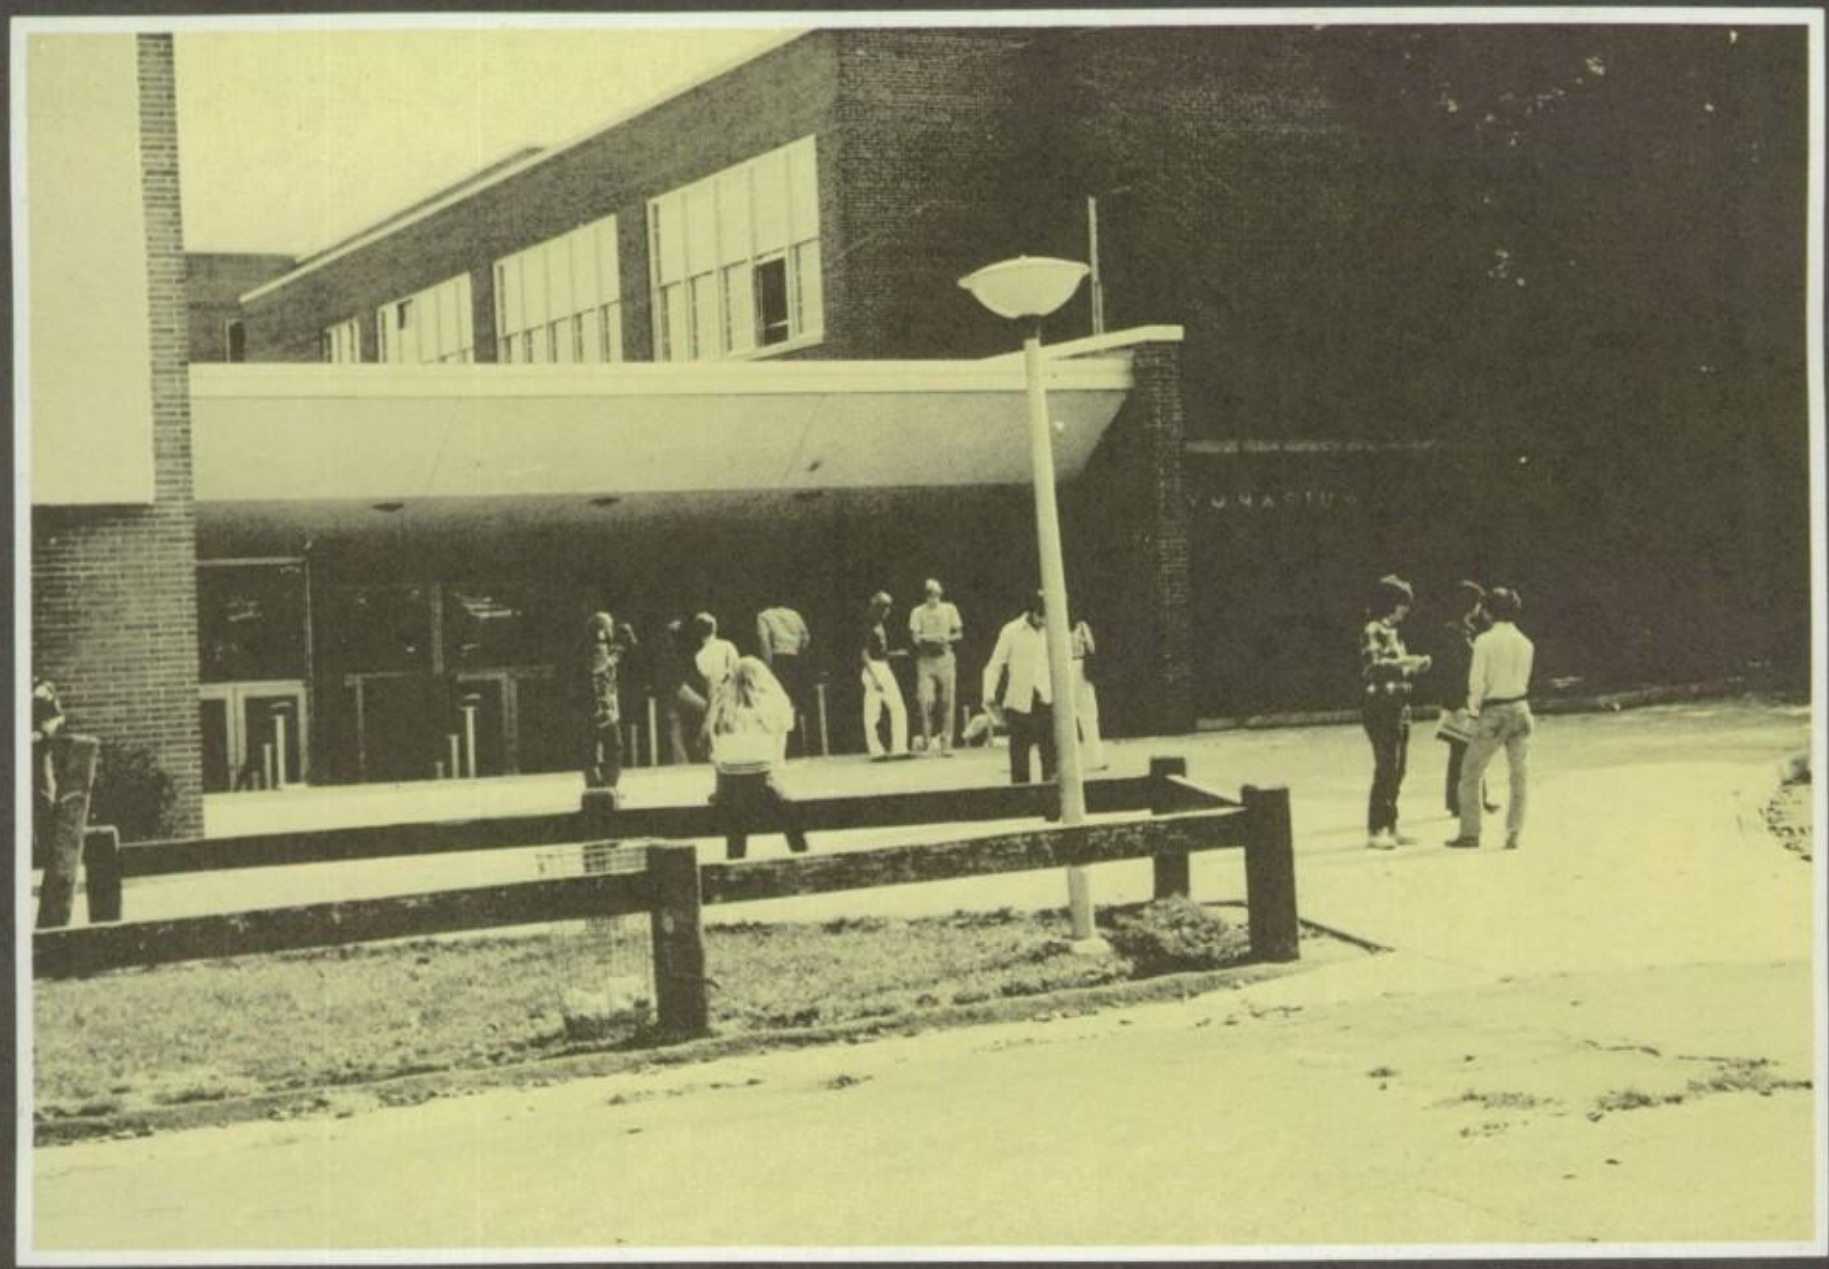
am i true to myself?
do i believe in what i do?
am i playing a role?
do i want to be like you?
or am i what i hate in others,
only seeing things my way?
that's what i'm gonna ask myself
today.



a new day, a new way
and new eyes to see the dawn
go your way
i'll go mine and carry on.

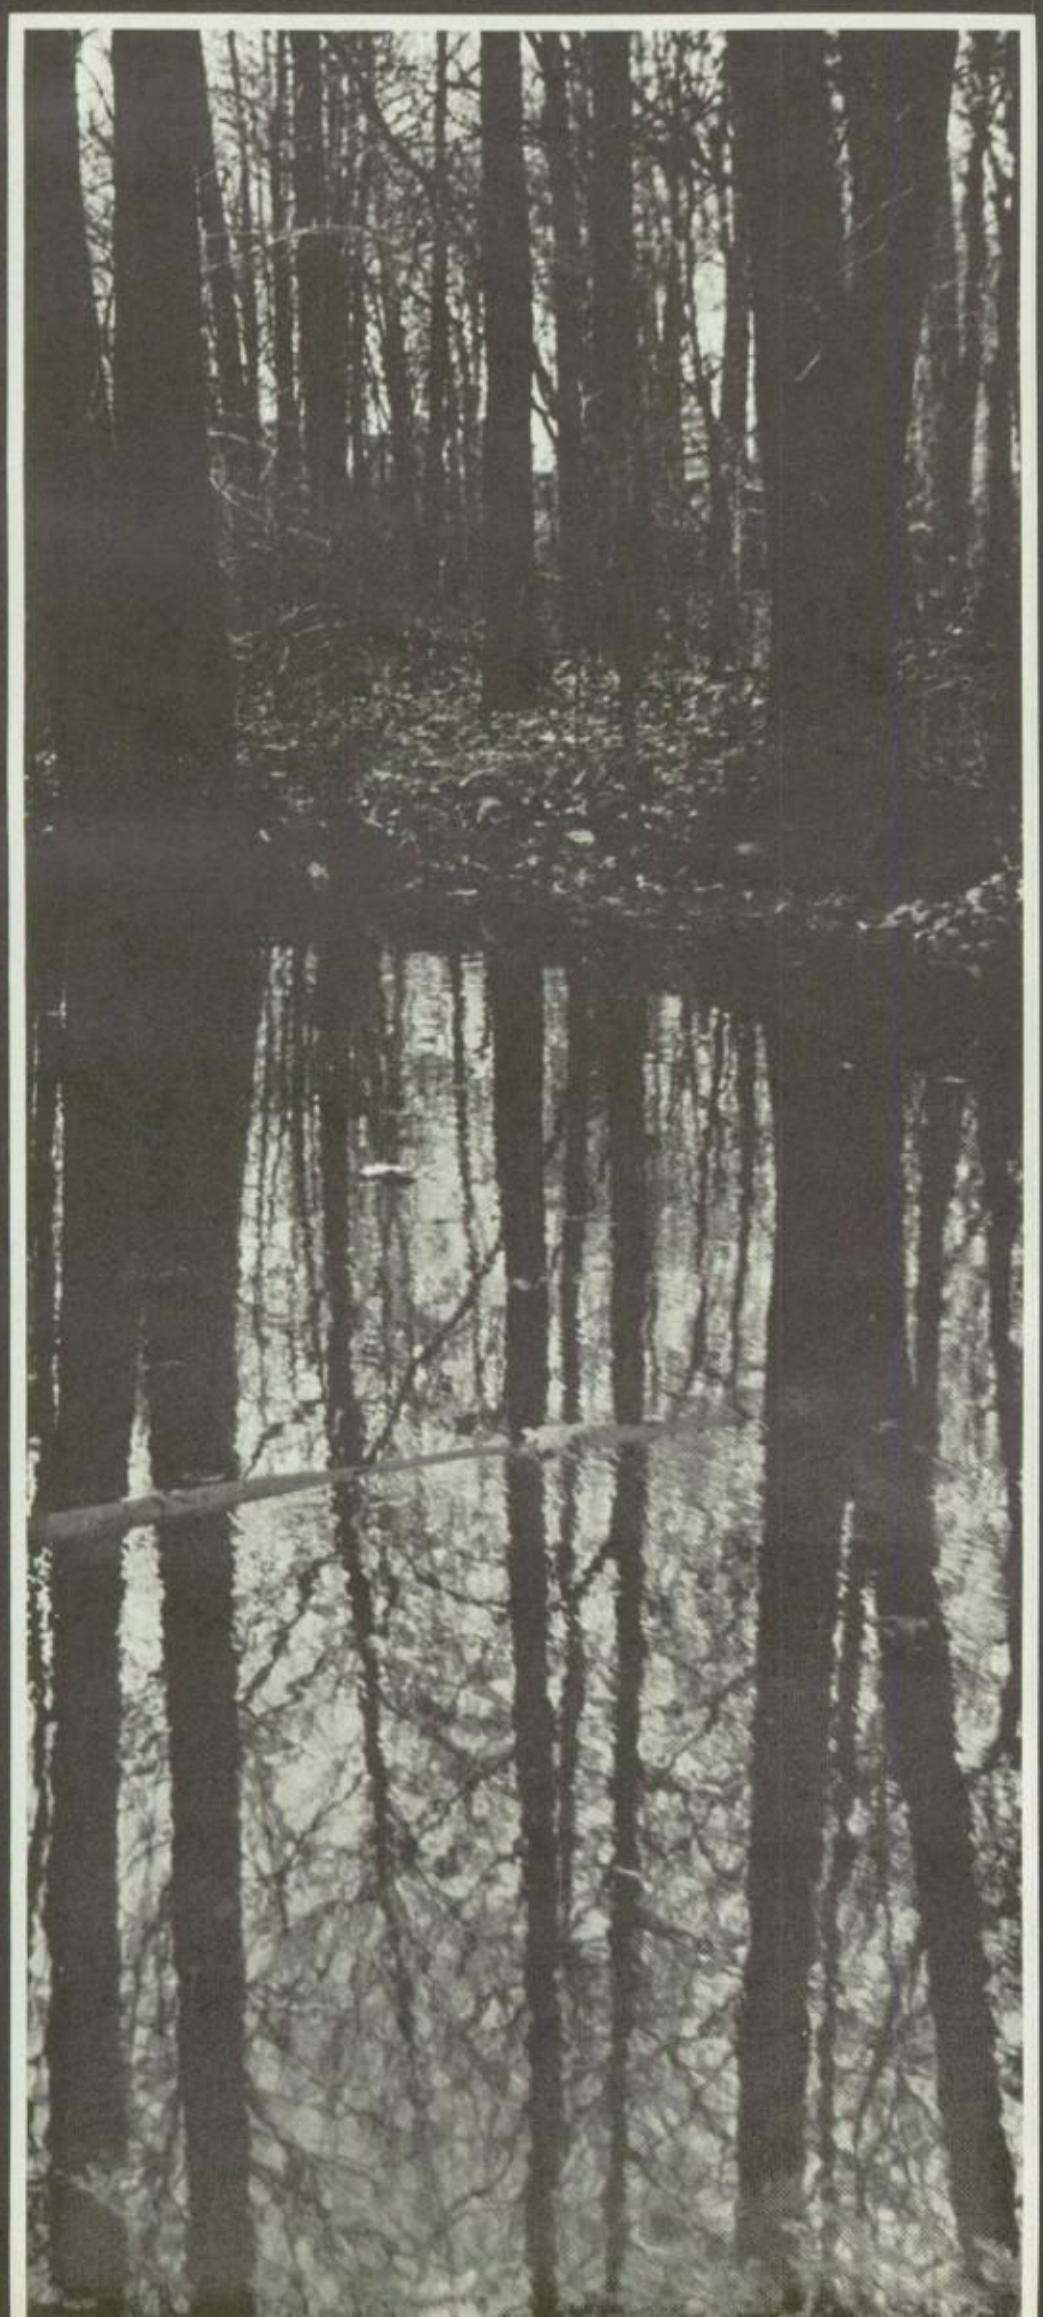


trail of troubles
roads of battles
paths of victory
we shall walk



there are places i'll remember, all my life, though some have changed. some for worse and some for better, in my mind they still remain.

reflections reflect in everything you do, and everything you do reflects on you.



look around and choose your own ground
for long you live and high you fly
and smiles you'll give and tears you'll cry
and all you touch and all you see
is all your life will ever be.

it's a great life, go get the things
that you're after
hold out for the glad times and laughter;
this is your chance so go for today.
it's a great life, why don't you
reach out and take it
jump for thetop and you'll make it
stick with your dreams and you'll
find your way.

like a branch on a tree
i keep reaching to be free,
moving on . . .

Dedication Jean Abrahamsen

We, the class of 1975, are pleased to honor a woman who is greatly admired by students and teachers alike. Retaining her position as a responsible instructor, she has, at the same time, regarded each of her students with personal individuality and mutual consideration. Through her tireless efforts and patient manner, she has not only shared with us the knowledge she has gained, but more importantly, has given us the motivation and ambition to seek knowledge and success.

Miss Abrahamsen attended Columbia Bible College, Columbia, South Carolina, where she received her Bachelor of Arts Degree. She later attended Wagner College, Staten Island, New York, where she received her Master of Arts Degree. After teaching a total of six years in North Carolina, she came to Hackensack in 1960, where she has remained ever since. Miss Abrahamsen is a teacher in the Social Studies Department, and in 1962 became the sponsor of the National Honor Society.

Due to her sincere interest and respect for all, Miss Abrahamsen has become one of the most admired and respected teachers here at Hackensack High. Through this dedication we hope that in some way, we may leave a meaningful part of each one of us with Miss Abrahamsen.

The 1974 Comets compiled a record of six wins and three losses. We opened the season against Fairlawn with a touchdown reception by Ron Karcich. A blocked extra point by Carl Padovano gave the Comets our first victory. Our second game was played at Wayne Valley. A strong second half led by Shelton Harley gave the Comets our next victory. Hackensack returned home the following week to face the surprisingly strong Spartans of Paramus. We were shut out in a surprise upset.

Bergenfield proved to be a poor host, handing the sputtering Comets our second loss.

The Comets came back against Garfield with a solid team effort, gaining a total of more that four hundred yards in offense, giving us another victory. The game aginst Passaic Valley proved to be a battle of defenses. Two fourth quater field goals resulted in our third and final loss of the season. Our aroused Comet team showed their capabilities against Ridgewood.

Highlighted by the performances of defensive members Padovano, Ciali, and Nolan and offensive players Logan, Nixon, and Cooper, Hackensack shut out Ridgewood. An outstanding game by offensive tackle Joe Scalo, earned him the game ball.

With new found momentum, the Comets moved on with another victory over Clifton.

On Thanksgiving Day, we faced our traditional rival, Teaneck. Quarterback Jerry Logan had an outstanding day, running for two touchdowns and throwing one more to end Jim Diamond. We ended our season with a fine showing both offensively and defensively. Outstanding Comets were rewarded for their fine efforts during the season by being elected to various county and league teams: Carl Padovano; first team all league and all county, Mike Ciali and Dave Nowacki: first team all league, Joe Scalo, John Alberti, Bob Nixon, and Mike Garner: second team all league, and Jerry Logan: honorable mention.

Senior defensive backs Jay Hoogendorn, "Snooky" McKinnon, Jim Morino; lineman Bob Garafano, Orlando Chacon, Steve Cheche, Ken Mueller, and kicker Bob Minkewicz rounded out our 1974 team.

Led by tri-captains C. Rojas, A. Villamizar, and R. Barrios, the 1974 Comet soccer team completed a successful season under the guidance of Coach Migliore. The Comet squad proved itself to be one of the strongest teams in the league. Spurred by returning lettermen and several new players, the Comets won their first five games. The team then suffered a mid-season slump, losing four out of eight games. However, they bounced back to win their last three games. This placed them in the state and county finals. The squad won its first state game against Paramus only to lose on corner kicks to Morris Plains.

In the county tournament, the Booters showed their strength, winning the first two games. Unfortunately, they lost the final game against Ridgewood. Nevertheless the comet team closed the season in second place in the NNJIL beating Ridgewood by one point.

Comet seniors displayed brilliant performances throughout the season: J. Campo, P. Chu, G. Cutre, S. Georatos, M. Graine, G. Heitman, D. Kloppenberg, A. Mendoza, M. Messina, G. Pulido, C. Rojas, J. Santoro, A. Villamizar, P. Villani.

The Comet harriers once again experienced a winning season, compiling a record of six-three. Although unable to regain the championship titles of last year, the season was still marked by many fine performances. These gained the Comets a fourth in the league standings and placed them fourth in the county meet.

The season opened with victories over Wayne Valley and Teaneck. Paramus, Hackensack's bitter rival, provided the harriers with their first loss. Unable to regain their momentum, the Comets were handed their second defeat of the season being upset by Bergenfield. After this loss, the Comets won four of their last five dual meets, including victories over Passaic Valley, Garfield, Fairlawn, and defending NNJIL champs, Clifton. The win over Clifton perhaps highlighted the entire cross country season for the harriers, who then lost only to Ridgewood, one of the counties' powerhouses.

Although lacking star performers, Hackensack had an all-around strong team. This was evidenced by the fact that four of the top five men received honorable mention all NNJIL. They were seniors Joe Gryczko, the number one man for the Comets and fourteenth in the league, number two runner Keith Cahoon, Bob Andreoli, who held the number three position, and number five man Sal Amico. The remaining senior letterman were Steve Hrnciar, holding the number four spot, Bruce Goldman, and Donna Morshuk, the first woman letter winner in cross country at Hackensack.

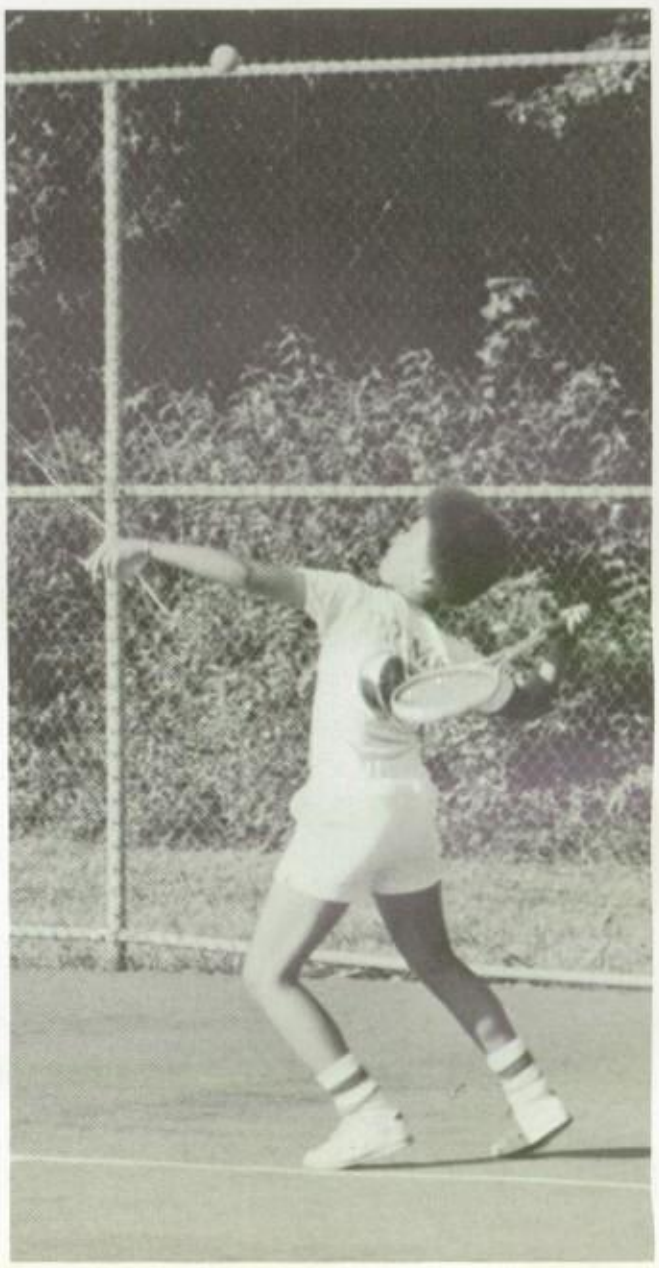
Girls' varsity sports are scoring at Hackensack and the 1974 hockey team can prove it. This year's team was the most outstanding in the three years that girls' varsity field hockey has been in the Hackensach High School's athletic program. The young team compiled a 7-7-2 record, which should be bettered next season with the return of many experienced members. One of the greatest accomplishments of the season was the holding of the undefeated, top ranked team of Wayne Valley, to a 0-0 score in the first half. Much of the team's fine playing this year revolved around Captain Kathy Pavelec, a senior, and the backbone of the defense. This season was Kathy's third as a letter winner. Outstanding on the forward and accounting for many of the goals were Judy Baus, a senior, and sophomore Patty Angowski. Patty was one of the most aggressive players on the team and her ability earned her a varsity letter. She was also a member of the NNJIL all league first team, along with fullback Kathy Pavelec. All league honorable mentions were awarded to goalkeeper Meg Loughlin and right halfback Arlene Weston.

TENNIS

Back row (l to R) – S. Davison (Co-Capt.), E. Slutz (Co-Capt.), B. Mulder, C. Eckert, Coach Miss C. Trifletti, A. Radossich, L. Boyd, A. Della Salles, A. Makoe (Manager), L. Mason. Front row – L. Brown, K. Voorhis, M. Griffin, P. Lambert, N. Benson, S. Mikulak, M. Morales, J. Valentine, D. Keeling.

The 1974 girls' varsity tennis team underwent a season of rebuilding.

The record of two and six, compiled this year, does not at all show the potential of this team. Although young in experience, Hackensack should prove to be a tennis powerhouse in the seasons to come, with five of the seven starting members returning for the 1975 season. The varsity team tied for sixth place in the NNJIL standings. All league awards were given out this year, with senior Sherrill Davison being nominated for honorable mention. Sherrill played first singles this season and was co-captain. She was also the recipient of the coaches' award for her fine efforts and contributions to the team. Following Sherrill in the line up at the second singles position was junior Ellen Slutz. Ellen will vie for first singles position next season with talented freshman Lisa Brown, who played third singles this year. The first doubles spot was held by freshman Betsy Mulder and sophomore Meg Griffin. Top scores for the season were compiled by Linda Boyd, while playing second doubles. Another second doubles team consisted of senior Nanette Benson and junior Karen Voorhis.

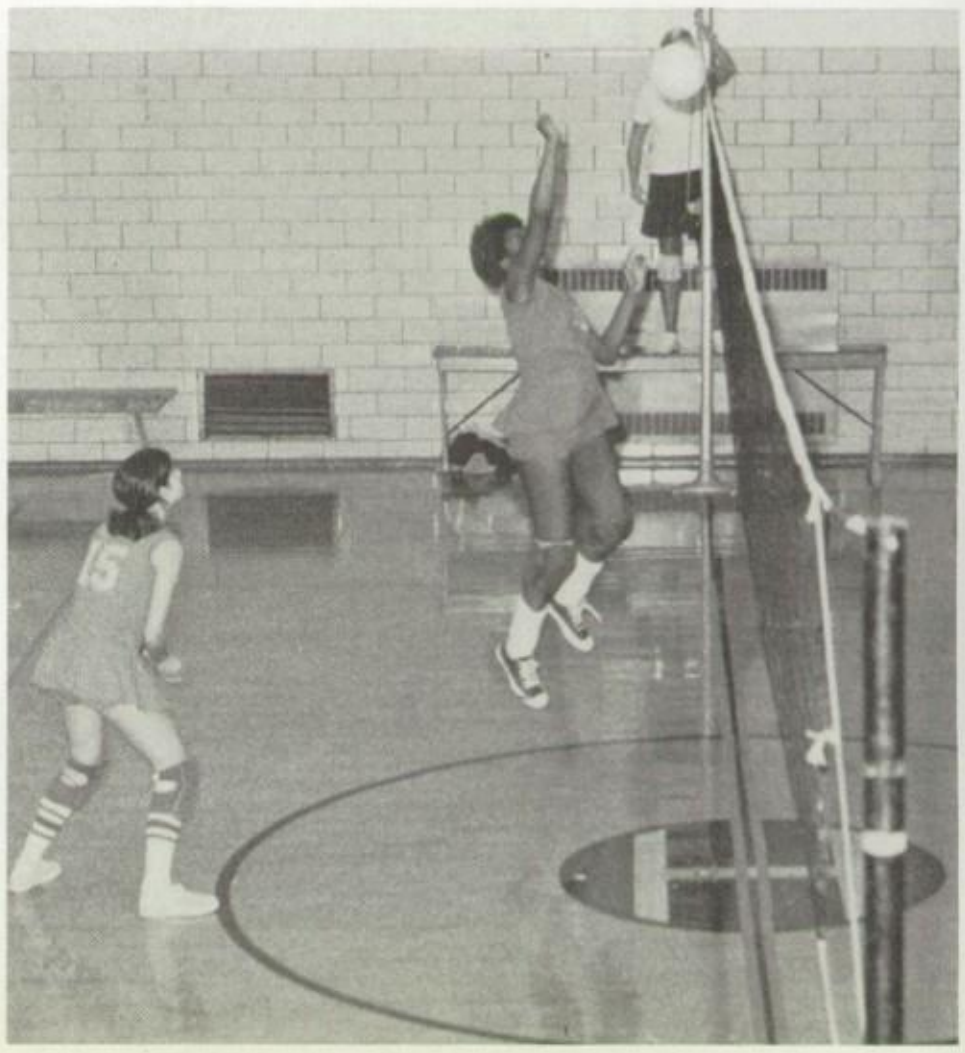


Volleyball

Top row (L to R): Miss V. Darden, coach; L. Iozzia, C. Petrigliano, C. Wooliscroft, C. Mitchell, C. Wade, Capt.; J. Morley, J. Orbach, K. Levine, Mrs. D. Sonnet, coach; Kneeling: A. Brown, N. Maldonado, M. Martinez, S. Hunt, A. Freay, V. Julien.

Girls' volleyball at Hackensack is quickly gaining momentum, proved this year by the performance of the 1974 varsity team. Girls' varsity volleyball was introduced to Hackensack last fall, with the team compiling a record of 0 and 8. Coach Sonnet kept last year's promise for a better record this season.

Although still experiencing the growing pains of youth, this year's team achieved a 2 and 12 record. Despite the statistics, it was a winning season in many aspects. The improved playing and increased enthusiasm exhibited by the team helped to build a strong foundation for next season's team. The Hackensack girls defeated Garfield twice and made formidable showings against the volleyball powerhouses of Ridgewood and Bergenfield. Both these schools finished well up in the league standings. After watching many other teams play, Coach Sonnet feels that Hackensack could have compiled a far better record if it had been in a league comprised of teams with the same amount of development and experience. However, the 1974 team moved up one slot in this year's league standings to finish seventh. All League titles were awarded to girls and Hackensack volleyball was not to be left out. Senior Chris Wade received All League second team honors, while Connie Mitchell, a tenth grader, was awarded honorable mention.



Girls' Basketball

Top (L to R): Miss Tiernan, Lisa Boyd (manager), Deidre Beamen, Roma Mothersille, Rhonda Harris, Judy Baus, Kathy Pavelec, Cheryl Harris, Arlene Weston (manager), Coach Valerie Darden. Bottom: Peggy Melendez, Laura Costen, Sandy Csaposs, Patty Angowski, Paula Hunt.

The Girls' varsity basketball team debuted this year at HHS and suffered all the growing pains of cooperation, organization and success typical of young teams.

The team finished the season strongly, aided by the genuine interest of its fourteen players. Members of the varsity team this year were Seniors: Sharon Greene, guard; Kathy Pavelec, forward; and Judy Baus, at center and forward positions. Four Juniors, four Sophomores and two Freshmen, rounding out this year's squad will geve next year's team the necessary experience and strength. Competing against more organized teams, the Comets' first season was understandably rough. With future years of experience, high scoring and successful seasons will belong to HHS' girls' varsity team.

Basketball

Standing (L to R): Jerry Logan, Dennis Rogers, James Ogletree, Mike Graine, Nick Pjeternikaj, Paul Troublefield, Coach Henderson, Ron Herbert, Dave Kloppenburg, Ken Wright, Bill Christmas, Gary Ward, Mal Stoutamire.

The 1974-75 Hackensack Basketball Team had many adjustments to make at the start of the season. The Comets updated their approach in the game under the tutorage of their new mentor, Mr. Mel Henderson. These adjustments were evident, as the team, off to a slow start, compiled a 3-3 record by the end of December. Having become accustomed to the new style of play, and establishing a tenacious defense, the Comets then went on to win 12 of its next 15 games.

Leading the team in scoring and heading its new fast break was Senior Ken Wright, averaging over twenty-two points a game. Because of his outstanding performance in the Jamboree against Bergen Catholic, Ken Wright was chosen "Athlete of the Week". Dennis Rogers, a senior, proved to be the spark of the defense, sharing his duties with fellow senior teammates Jerry Logan and Gary Ward. Rebounding and further scoring was performed by Seniors Ron Herbert, Dave (Dutch) Kloppenburg, and Nick Pjeternikaj. Senior Michael Graine contributed to a victory over Bergenfield. The Comets fine team play enabled them to compile a record of 14-4, tying them for second place in the N.N.J.I.L., with Passaic Valley. Superior performances in the Bergen County Jamboree proved to be too much for H.H.S.'s opponents. The Comets beat Bergen Catholic in the final game of the tournament, 71-60, after defeating Northern Highlands (72-61) and Paramus Catholic (84-72).

With a fine squad returning next year, including talented Juniors Ron Nedly and Sugar Christmas, the Hackensack Basketball Team should experience another high scoring season.

Coach DeFalco and his grapplers experienced another great season. Despite two early seasons upsets by Wayne Valley and New Milford, the Comets came back to earn league and district championships, compiling a league record of 11-2.

The 1974-75 Hackensack team, comprised of many outstanding wrestlers, was captained by seniors Glenn Candrilli and John Sabatini. Glenn, District Champ, placed second in the Christmas Tournament, third in the Regionals, and first in All-League. Other award winners were Ron Karcich, who placed second in the District Championship, second in Christmas Tournament and Second Team All-League; Alberto Mendoza, District Champ, placed second in Christmas Tournament, third in Regionals and First Team All-League; Rich Tranchida, who placed second in District Championships. Seniors John Alberti, Brian Cancro, "Snookie" Mc Kinnon, Guy Malatino, and Robert Garafano rounded out the strong Hackensack team. The future seems promising for Coach DeFalco with returning juniors Walter Mendoza, District Champ, Regional Champ, first place Christmas Tournament and First Team All-League and All-County, with an overall record of 45-3-1; Dave Nowaki, District Champ, second place Regional and Honorable Mention All-League and All-County; Tom Schuster, Honorable Mention All-League; and Frank Amaranto, Regional Champ and First Team All-County.

Although the girls' varsity swim team did not compil a winning record (6-9), many fine performances were turned in by individual members. Senior Karen Milesk and Junior Linda Mason, co-captains this year, were top scorers for the team. Karen compiled a total o 113.5 points and Linda followed close behind with 11 points.

Karen showed her championship form again this sea son, as she was undefeated in high school dual meets She could be counted on for a win when the team needed one. Sherrill Davison, the only four-year mem ber, aided the team with her back-stroke and distance ability. She was the third highest scorer with 82.5 points.

Other members rounding out the team were Seniors Gitta Szlatki and Karen Johnson, and Juniors: Peggy Lambert, Sue Dudek and Liz Fisher. Although the team lacked depth this year, with many new members, the H.H.S. girls' swim team has great potential for the coming seasons.

Unlike previous years, the Comets did not go undefeated, losing their first meet in four years. However, Coach Lewis did win his 100th meet vs. Clifton, while compiling a record during the last four years of 69-1. An outstanding group of seniors led the Comets to a second place finish in the Monmouth Invitational Meet and fifth overall in the N.J.S.I.A.A. State Championships. This year's team re-wrote the school record board. Co-captain Jim Lambert set marks in the 200 yd. freestyle and 200 yd. I.M., while co-captain Steve Watson did the same in the 100 yd. back-stroke. Bob Minkewicz and Bob Tompkins established records in the 50 yd. freestyle and 100 yd. breastroke. Members of the 200 yd. medley relay who took first place in the County Meet, sixth in the state, and third at Monmouth were Steve Watson, Bob Nixon, Robert Tompkins, and Bob Minkewicz. The 400 yd. freestyle relay was first in the county, and seventh in the state, consisted of Jim Lambert, Steve Watson, Bob Minkewicz and Ken Mueller. Coach Hank Horbatuck's divers, Bob Secor and Bob Schmitt took first and second places at the Monmouth Invitational. Other seniors who contributed to the Comets winning ways were Phil Peters, Ken Koehler, and Roy Cabibbo.

The 1975 varsity baseball season opened with the return of only three lettermen; Carl Padovano and Jerry Logan (Co-capts.), and Gary Ward. The starting line-up consists of Nick Ulliana at first base, Dennis Rogers on second, Jerry Logan, short stop, and Carl Padovano playing third. Jim Doyle and Tony Rosini will be filling in at first base. Vying for outfield positions are Phil Chu, Rich Barrios, Mike Mazzeo, Dave Prinjinski and Bob Woolis-croft. Pitchers will be chosen from Seniors Dan Kubat, Gary Ward, John Uryniak, Tom Premtaj and Junior Jim Cullinane, and Sophomore John Kraemer. Coach Seddon feels that if the pitching lives up to its potential, the Comets could be a league contender in '75.

Many thought that the loss of superstars Bill Duren and Jerry Wyche would cause the Indoor Track Team to lose its spark. But the Comets kept their fire going, with this year's squad turning in solid team and individual performances.

Bruce Keller was one of the outstanding members on the team, turning in explosive performances in the sprint races. Bruce has won hall of fame honors in the 300 yard dash, as well as being on the mile relay team which placed second in the N.J.S.I.A.A. Championship Relays. Following Bruce was senior sprinter Kevin Zavian, who has improved greatly from year to year. Zavian was also a member of the outstanding mile relay team and has turned in hall of fame performances in the 300 yard dash. Other members of the second place mile relay team were seniors Joe Gryczko and Jim Diamond. Joe and Jim were the distance strength for the H.H.S. team. Both are members of the school's record holding 2 mile relay team. Gryczko has turned in hall of fame performances in the 2 mile run while Diamond holds the school record in the half-mile. Sal Amico, a senior, was another formidable half miler on the S.R. 2 mile relay team as well as holding the indoor long jump record. Other senior runners include Bob Andreoli, who has received hall of fame honors in the 2 mile run and holds the school record for 3 miles, and distance man Steve Hrnciar. The high jump got off the ground with Senior Mike Peluso, who holds the school record for this event. The pole vaulting was highlighted by Seniors Glenn Rockefeller and Tommy Zisa. Glenn has the third highest vault in school history and both Glenn and Tom have won hall of fame honors.

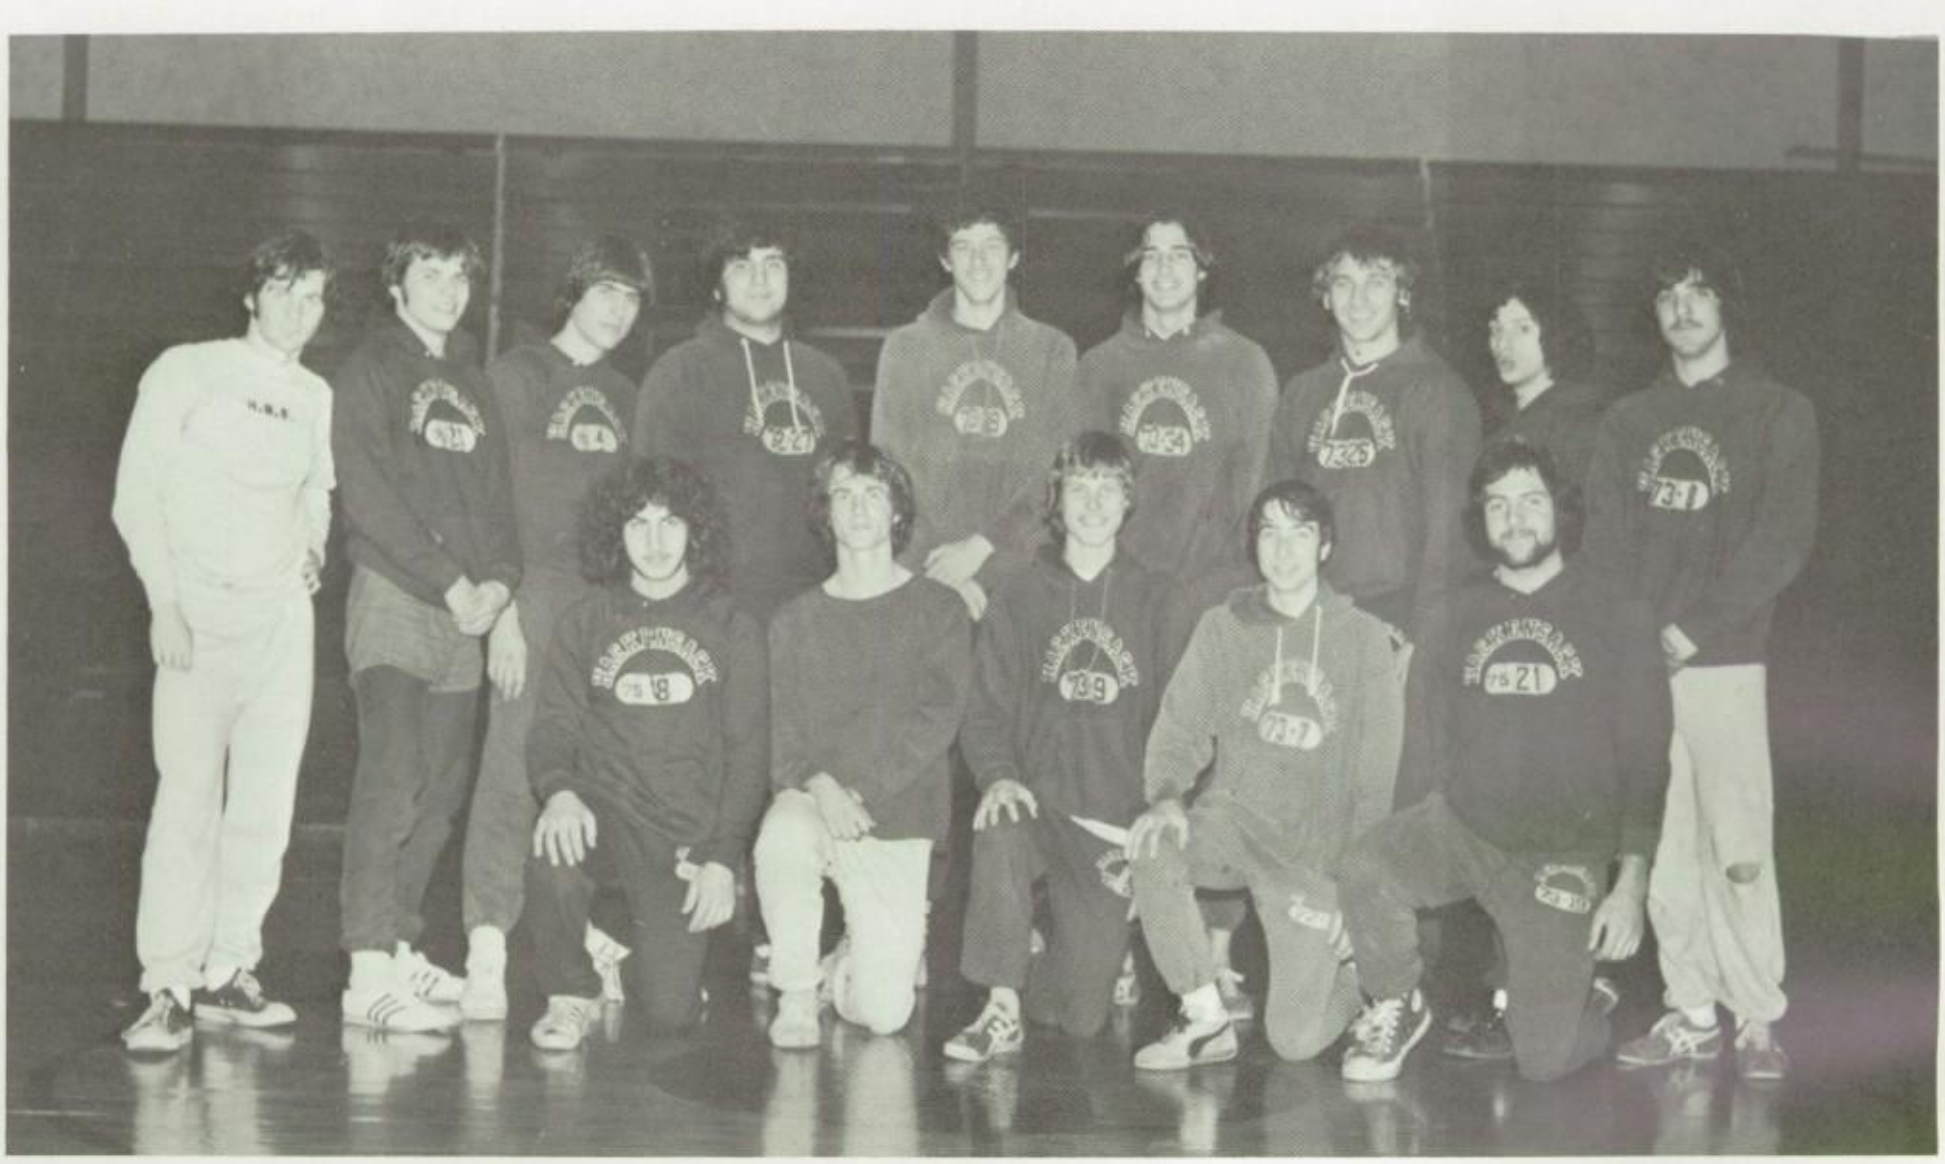
Third row: Glen Chin, Scott Elder, Mike Nasta, Dave Van Wyk, Lee Lively, Dean Monti, Glen Murphy, Jay Hoogendorn, Wayne Ackerman, Dave Smith, Mr. Crucius. Fifth row: Tom Lannagam, Rich Hoffman, Tom Gan, Randy Williams, Carlton Lee, Carl Garrett, Sam Ghabourgh, Mike Jezzi. Sixth row: Mr. Hubert, Mike Malagiere, Dave Norris, Bruce Paollella, Willis Culiver.

A fast paced Spring is in store for this year's Outdoor Track Team. Although there is no one, super athlete, the squad is marked by much strength and depth in each event. Because of this, Hackensack should come close to the top in the N.N.J.I.L. In their efforts to clinch the league title, Coach Church and his team will be trying to avenge last years loss to #1 (1974) Paramus. The five runners and fielders out this season may make this possible. All are captained by seniors Bruce Keller, Jim Diamond, Glenn Rockefeller, and Mike Peluso.

Bruce is the outstanding sprinter on the team, scoring 64 points last year. In 1974 he was on every victorious sprint relay team, was third in the county in the 440, and fifth in the 100. Keller is destined this year to carry the H.H.S. Mantle in the 440 yard dash. Seniors Kevin Zavian and Bob Nixon will add strength to the sprint squad. Zavian filled in last year in the mile relay team, but should hold a solid position on it this year. Nixon will aid the 440 yard relay team, last year participating on the Northern N.J. 440 yard relay championship team. Both are triple jumpers, with Bob ranking #2 for Hackensack, and Kevin holding the #3 position.

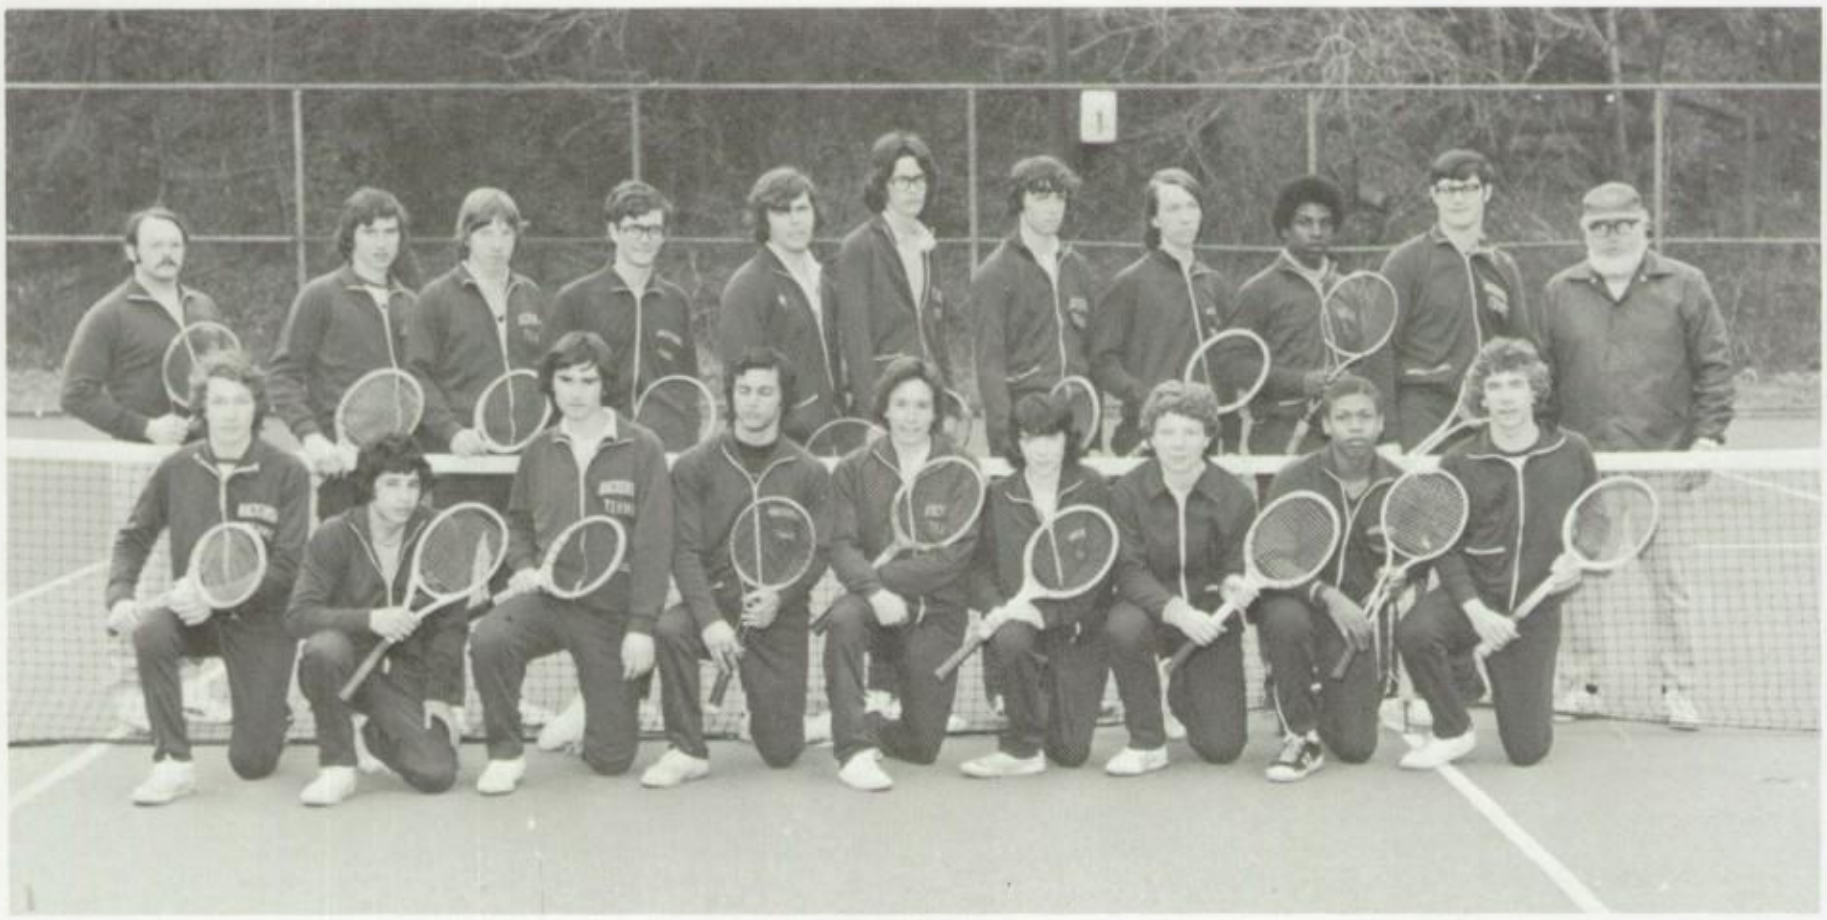
The distance events will be highlighted this season by five seniors. Joe Gryzcko scored 31 points last year as well as being on the all N.N.J.I.L. Mile relay team. Coach Church expects Joe to be one of the top runners in the league competing in the 880 and 1 mile. Jim Diamond, the SR holder of the Soph 880, is the fastest ½ miler coached by Church. Jim has been a consistent scorer in this event for 2 years, and should do the same this season. Sal Amico, another strong ½ miler, was the "surprise find" of 1974. This year he will be counted on as a key scorer in the distance events and is destined to inherit Larry Skinner's Old Man image. Bob Andreoli will provide the 2 mile strength, last year receiving honorable mention 2 mile. N.N.J.I.L., as well as ranking third in this event for Hackensack. Steve Hrnciar will round out this solid Comet distance squad.

Talented seniors will also compete in the field events for H.H.S. Joe Scallo will lead the discus throwers, along with weightman Steve Novak. Joe is tied for third among discusmen under Church.
Glenn "The Rock" Rockefeller, Tom Zisa, and Steve Donalian will have the sky as their limit when they compete in the pole vault this year. All should place high in the league and county in this event. Mike Peluso will be taking #3 among jumpers under Church and receiving all N.N.J.I.L. honorable mention 1974. Remaining seniors John Sabatini and Jay Hoogendorn will be long jumping for the Comets.
With many promising and proven seniors, as well as sophomores and juniors, Paramus and the rest of the league will find Hackensack a tough squad to beat.



Seniors: Top row (L to R): Steve Donalian, Bruce Keller, Joe Gryzcko, Bob Andreoli, Sal Amico. Bottom row: Glen Murphy, Jay Hoogendorn, Mike Peluso, Joe Scalo, Steve Hrnciar, Jim Diamond, Bob Nixon, Tom Zisa, Kevin Zavian.

Tennis



Back row (L to R): Ass't Coach Bill Ackerman, Ken Rasmussen, Roy Hoffman, Rick Lark, Jim Stiemle, Mike Munkle, Tom Vrana, Dan Stiemle, Curtis Scott, Andy Lark, Coach Paul Hannabury. Front row: Florian Sussman, Gus Araujo, Mike McGuire, Leo Araujo, Bob Brown, Tom Lynch, Ken Buckley, Pee Wee Battles, Bob Black.

Seniors (L to R): Mike McGuire, Leo Araujo, Andy Lark, Pee Wee Battles, Bob Brown.

The sport of tennis is booming today and fortunately, the boom is rocking H.H.S. as hard as it is the rest of the countryside. The 1975 Boy's Tennis Team is a reflection of this, and looks as though the team is going to raise quite a few eyebrows. Coached by Paul Hannabury, the team has gotten off to a fine start by defeating Saddle Brook 5-0 in their first scrimmage. Coach Hannabury has said that he fully expects this to be his best year.

This optimism arises because the team has not only strength, (with six returning lettermen) but reserve depth as well. The team will be led by the local tennis "phenom" of Mark Russo. Although Russo is only a sophomore, he was named to the first team N.N.J.I.L. last year and is ranked as being second in the state. Russo will be joined by other able players as Seniors Mike McGuire and Bob Brown, Juniors Captain Mark Mulder and Roy Hoffman, Sophomores Tom Vrana and Ken Rasmussen, and reserves Andy Lark, "Pee Wee" Battles, and Bob Black.

Golf

(L to R): Bruce Brancima, Russ Walters, Paul Nolan, Mike Mordaga, Mark Jacobus, John Alberti, Bob Nixon, Bob Minkewicz, John Bamback.

Back row (L to R): Kim O'Day, Liz McMorrow, Donna Morshuk, Mary Copeland, Maura Novak, Helen Chambers, Sue Nordstrom. Third row: Linda O'Day, Janet Hayes, Dierdre Beaman, Barbara Merkle, Laura Oswald. Second row: Sheila Hunt, Janice Lloyde, Faye Dardaganis, Barbara Mellone, Joyce Zaorske, Andria Regina, Diane DeStephano. First row: Arlene Weston, Ava Mann, Taren Carter, Carmen Mann, Ann Rodassich, Cathy Logamasino.

Girls' varsity track is off and running at Hackensack High School. This will be the first year the girls have their own team, after participating in conjunction with the boys last season. Although the team is young, Coach Scott feels it has great potential. Heading the girls squad is Senior, Donna Morshuk. She will be looking for county titles in the sprints (440, 220) and half-mile. Other seniors are Deirdre Beaman and Carmen Mann. Both will be participating in the field events.

Coming off a fine Indoor season are ½ milers Maura Novak, a sophomore, Mary Copeland, a freshman, along with an array of talented sophomores. They will be the distance strength for the team. The sprint and field events will be rounded out by a number of girls who participated last Spring. Although the majority of the members are underclassmen, they have alot of ability and should contribute to scoring as well as building a solid foundation for next year. The team's top competition will be coming from well developed teams, such as Ridgewood and Saddle Brook. However, the Hackensack squad is "getting into shape" and should be able to experience a successful season.

Seniors (L to R): Donna Morshuk, Carmen Mann, and Dee Dee Beaman.

Softball

Front row (L to R): Debbie Keeling, Joanne Tate, Julie Cabibbo, Elaine Vanderbeck, Paula Hunt, Valerie Julian, Carol Bene, Brenda Brown, Sue Genberg, Dolores Wonski, Patty Tinghino. Back row: Pat Angowski, Madeline Moore (Co-capt), Cynthia Armstrong, Robin Rudnitsky, Linda Mason, Kathy Pavelec, Judy Baus, Roma Mothersille, Alicia Makoe, Lisa Boyd (Co-capt), Sharon Green, Lucy Demchuk, Flo Zeberl (Manager), Maryann Curko (Assistant Coach), Constance Trifletti (Head Coach).

Girls' varsity softball will be looking forward to another hard hitting and high scoring season. This will be the second year that Hackensack High School has had a varsity team.

This season, the squad will be attempting to better their outstanding 1974 record of 8-2. The girls also came close to clinching the N.N.J.I.L. crown last year. Coach Trifletti feels that their chances of winning the N.N.J.I.L. crown are even stronger this season, with six returning veterans. Four of these are seniors Judy Baus, Lisa Boyd, Kathy Pavlec and Madeline Moore. All will be in the starting line-up. Judy will be at first base and Kathy will be catcher. Lisa will be at shortfield, because last year she had the second highest assists to outs total. Madeline will be on the mound because she compiled 57 strike outs, 29 walks, and 30 assists to outs last season. She was second in runs scored and base hits. Sharon Green, a newcomer, is the remaining senior on the team. The many freshmen, sophomores, and juniors who round out the squad will enable Hackensack to experience a solid season of softball.

that on this day
June 6, 1975
at the
Colonial Manor
the Senior Class of
Hackensack High School
presents
We May Never Pass This Way Again

We May Never Pass This Way Again

Life - as they say
Is but a game and they bet it slip away
Love - like the Autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets of the universe
Whisper in our ears and all the years
Will come and go
And take us up - always up.
We may never pass this way again.

So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you.
Cause you make me feel that I'm more than a friend
Like I'm the journey and you're the journey's end.
We may never pass this way again
That's why I want it with you.
We may never pass this way again.

Reading lab is required of all freshmen; it's supposed to increase my reading speed.

"VOICE":
Hear ye, Hear ye, let it be known that as of this day, amidst crys of injustice and "Don't", I now decree the enforcement of new smoking rules, engulfing long sought dreams of many a cigarette company; smoking shall be restricted to the following areas . . .
Caution: If ye shall break the unbendable rules, personal freedom now recognized will be abolished!

Freshman year is over, almost!
Dear Me,
What are your plans for the summer?

For $5.00 you can see roller derby action at Hackensack High. Will apathy, apparent during election time, win out over the wild desire to let out some of that kept-in steam and help the class of 1974 earn money like what we the class of 1975 should be doing? Tune in next week, same time, same place . . .
